Have a nice day

amount at stake is more than \$75,000

I would help repay any court fees after I am awarded my settlement

claims up to \$30,000, domestic violence **cases**, landlord/tenant disputes, replevin (the recovery of goods claimed to be wrongfully taken or **held**), and civil **cases**

I understand that the asking price against the Police Officer who called me a faggot is a requested settlement of 30,000 thousand dollars
